

Alexander Mathis

Front End Engineer

 merziy  azmathis  alexzandermathis@gmail.com  1-(336)-448-9778

EXPERIENCE

JUICYORANGE | FRONT END ENGINEER

Jan 2023 – Present | Remote

- Employed CMS platforms such as Shopify and WordPress, along with a strong command of tech tools including Vue, React, Ruby, Liquid, JavaScript, SCSS, and Docker to build and deploy awesome websites for clients.
- Demonstrated expertise in making websites ARIA-compliant, ensuring inclusive user experiences. Proven ability to conduct thorough testing and quality assurance procedures to deliver high-quality, accessible and responsive websites to clients.

FUZATI | JR. WORDPRESS DEVELOPER

Feb 2022 – Feb 2023 | Remote

- Utilized popular WordPress plugins and software such as Gravity Forms, MemberPress, MailChimp, Yoast SEO, and WP Rocket optimization to enhance websites for clients.
- Minimized downtime and maintained website availability for clients on GoDaddy and WP Engine by setting up automated backups, monitoring systems, and automatic image compressing.

GRO | JUNIOR WEB DEVELOPER

August 2020 – October 2021 | Remote

- Created responsive mobile-first webpages for clients by harnessing CSS, HTML, JavaScript, and Liquid on multiple CMS platforms, including WordPress, Shopify, Wix, Ghost, Squarespace, and Webflow.
- Boosted website performance by analyzing metrics from Google PageSpeed Insights and applying performance optimization solutions, cutting down on JavaScript bundle time.

PROJECTS

WEB SCRAPER | PYTHON

2023

- Developed a web scraper program in Python3 with the Scrapy library and integrated a Google Lighthouse wrapper for efficient assessment of performance and accessibility issues across all pages of a website, outputting into a .csv file to share with team and clients.

MIDNIGHT CONFESSIONS | PHP, JAVASCRIPT, SASS

2020

- Constructed responsive WordPress business website with a blog, contact form, slider, and interactive homepage.
- Worked with PhotoShop/Illustrator to revise assets per client revisions and implemented changes, saving designer team valuable time.
